

# RICHARD SANCHEZ

## Objective

Dedicated and detail-oriented professional seeking the position of Administrative Aide I in the Human Resources Department aiming to support HR operations with strong organizational and communication skills.

## EXPERIENCE

### Office Assistant Company, City, ST

May 2020 – March 2024

- Provided administrative support to the HR team and assisted with various human resources functions
- Maintained personnel records, including filing, updating employee information, and handling confidential documents
- Entered and updated employee data in the HRIS and assisted in generating reports
- Coordinated interviews, meetings, and training sessions for staff
- Responded to employee inquiries and directed them to appropriate HR personnel

## EDUCATION

### Associate of Science in Office Administration

University, City, ST

May 2020

## SKILLS SUMMARY

- Administrative Support: Proficient in handling office tasks such as filing, documentation, and managing schedules to ensure smooth HR operations.
- Records Management: Skilled in maintaining 201 files, employee records, and confidential HR documents in both digital and physical formats.
- Communication: Strong written and verbal communication skills; able to interact professionally with staff and external clients.
- HRIS & Data Entry: Experienced in using HR Information Systems for updating employee data, tracking leave, and generating reports.
- Coordination & Scheduling: Capable of organizing interviews, training sessions, and meetings with attention to time management.
- Software Proficiency: Adept in using Microsoft Office tools, especially Word, Excel, and PowerPoint, for reporting and presentation needs.

## About Me

A reliable and detail-oriented administrative professional with experience in HR support, records management, and office coordination. Committed to efficiency and confidentiality in all HR tasks.
